

## Drei-Häuser-Kunst-Pfad 4.0

SAVE THE DATE!

3 and 4 June 2023

On Saturday and Sunday, June 3rd and 4th, 2023, our three neighboring houses in the Vulkaneifel will be connected again for the fourth time by an art path. Discover and enjoy art, music and nature on a circular route of approx. 3 km. The trail will remain open to visitors until June 11th.

The past art trails are documented on our website and current information about this year's art event can be found there.

The official invitation will follow at the beginning of May with all the other dates and the names of the participating artists.

We are looking forward to your coming!
